

My Body Map

Where do you feel your feelings? Color them in.

Color key

-  Happy
-  Calm
-  Sad
-  Angry
-  Scared
-  Worried

Try this:

*Pick a feeling and a color.
Where do you feel it in your
body? Color that spot.*

For grown-ups: *This builds body awareness; it is not an assessment, and every answer is okay. If something a child shares concerns you, follow up with their therapist. Mandated-reporting duties still apply.*

Behavior is communication.
