

Breathing Cards

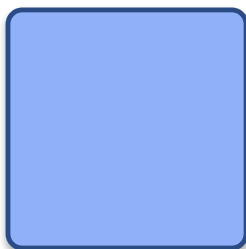

Three ways to help your body find calm.

Cut apart and keep them in a pocket, backpack, or the calm corner.

Box Breathing

In 4

Hold 4

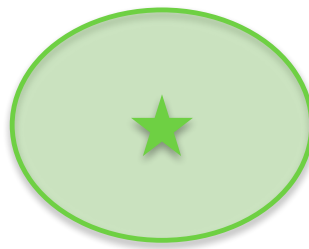

Hold 4

Out 4

Trace the square with your finger, one breath on each side.

Go around 3 to 4 times

Belly Breathing

Hand on your belly. Breathe in so it rises like a balloon, then let it slowly fall.

Repeat 5 slow breaths

Flower Breathing

Smell the flower, slow and deep. Then blow out the candle, long and gentle.

Do it 5 times

Regulation before reason.
