

Going to a New Place

A short story to read together before we go.

1

Sometimes I go to a new place.

Today I am going to _____.

2

New places can feel exciting or a little scary. Both feelings are okay.

I might feel _____.

3

A grown-up who cares about me will be with me.

_____ will be with me.

4

If my body feels big, I can take slow breaths or ask for a break.

My calm tool is _____.

5

New places get easier the more I visit them.

When we are done, we will _____.

Feelings are valid. Actions still matter.
